

Questions For Breeders:

15. Will they be willing to take the puppy back in the future if something does not work out?
16. Have they ever had a puppy returned to them and what was the reason?
17. Where are the puppies born?
18. Is this a first time or repeat breeding? If it is a repeat breeding, ask why are they repeating the breeding.
19. What specific goals do they have for the puppies that they produce?
20. Do they keep a puppy from each litter they produce?
21. What kind of care / vaccination will the puppy receive before coming home to you?
22. Can you visit the breeder before deciding on purchasing a puppy from them?
23. Will you be able to meet the parents / or at least the mother?
24. Do they have any references?
25. At what age will you be able to bring the puppy home?
26. Do they work on socializing / potty training the puppies before sending them to new homes?
27. Are they willing to help you with care and training issues once the puppy goes home with you?
